

CALLING WOMEN MOVERS, SHAKERS, INNOVATORS

Are you an entrepreneur interested in reshaping the traditional business landscape into something fresh, new and exciting?

Join the Women in Rural, Regional and Remote Enterprises (WiRE) support hub and connect with likeminded businesswomen and professional local mentors to explore:

- Overcoming confidence barriers
- Connecting with your market
- Understanding consumers
- Relationship building
- Problem-solving techniques
- Setting and meeting goals
- Professional business writing
- Finance structuring

The WiRE Program designed by the University of Southern Queensland is being delivered through the Ipswich and West Moreton ARIP Program to support women in the Ipswich, Scenic Rim, Somerset and Lockyer Valley regions.

Come and join us as we work together to build amazing businesses around the lives we live and love!
